

Annual Goals for Professional Growth

Form A

Name: Kris Sheehan_____

Date: Sept. 26, 2008

Subject: Tech Integration

Division: ES

SAS faculty members will identify three professional goals for the school year. At least two of the three goals must be connected to the SAS Professional Teaching Standards. One goal may reflect a personal professional interest. All three goals will work together to enhance student growth and achievement.

Professional goals are intended to enhance a faculty member's performance and expertise. A goal should be one that significantly challenges or stretches the faculty member professionally.

Goals should be specific, measureable, attainable, realistic, and timely (SMART). Goal statements are submitted to the immediate supervisor by the date assigned.

GOAL #1

Goal Statement: Work with my teams to develop trust and respect among all members.

Standard Addressed	Strategies for Implementation	Success Criteria - Evidence
Standard B1 - Creating an environment of trust and respect	Attend all team meetings. Be available to support and encourage teachers in their use of technology. Be there when teachers take risks with their use of technology Encourage even small steps teacher make to use technology Listen to teachers concerns and issues and respond positively Acknowledge in a positive way the teacher's progress	Teachers have increased their use of technology over the course of their year. Teachers have taken risks throughout the year and have done something out of their comfort zone. Teachers feel like I am a part of their team.

GOAL #2

Goal Statement: Reflect on integration activities to improve in the future.

Standard Addressed	Strategies for Implementation	Success Criteria - Evidence
Standard D1 - Reflecting on practice	Create a blog that reflects on each activity that we do in the classroom. and allow teachers to comment and add to blog. Allow for what worked well and what we could do better. Increase my personal learning network to include some collaborative "support" groups with other tech integration specialists and teachers.	Completed blog to be used next year to improve integration Membership and involvement in at least two collaborative networks.

GOAL #3 (Personal)

Goal Statement: Be involved in at least one globally collaborative project

Strategies for Implementation	Success Criteria - Evidence
Find a teacher who is willing to take this risk with me and work with him/her to make this happen Find a partner classroom Develop and implement activities to be done collaboratively. Reflect on the process and results	At least one globally collaborative project accomplished by the end of the year.
